

## **2020 Fieldstone Show Park Covid-19 Policies**

Fieldstone Show Park is planning to hold our July, August and September horse shows with the health and well-being of our exhibitors and staff at the top of our minds. We will continue to work with state and local officials to ensure that the opening and operation of the shows are within appropriate state guidelines. We will be implementing new protocols as detailed below to assure everyone stays safe and healthy.

Unfortunately we cannot allow spectators at this time.

1. Adhere to CDC and WHO guidelines for social distancing.
2. Modify show schedules to avoid extended time at the show grounds.
3. Increase space in the stabling area aisles, wash stalls and common areas.
4. 6' markers will be placed in areas where necessary and horse show offices and in-gate transactions will be conducted outdoors with 6' distancing.
5. Horse show rings will utilize separate in and out gates to avoid crowds at gate areas.
6. Class and rider times will be streamlined to decrease schooling area use and wait times.
7. Back to back trips will be encouraged/required when applicable.
8. Additional stewards and schooling supervisors hired to control schooling areas.
9. Additional all-weather rings have been built to help spread out riders and trainers.
10. No outside spectators will be allowed in the horse park.
11. PPE (personal protective equipment) will be required in accordance with state and town ordinances.
12. Traffic flow patterns will be established for navigating between rings, stabling areas and throughout the show park.
13. Commercial disinfectant spray (fogging) will be utilized throughout the day for schooling area jumps, tents, restrooms and common areas.

These are just a few of the safety procedures being implemented and the show staff will provide updates and details on our health and safety plans as well as updated schedules as we get closer to the show dates. We will get through this together and appreciate your trust in our staff to do everything possible to keep you, your horses and your families safe during your time competing at Fieldstone Show Park in 2020.

Class schedules and entry forms will be updated and located on our website and FB pages.
